Email address:

Regulatory/government body you represent:

Your country:

Merchant details

Store URL:

If the URL is unavailable, other identifying information:

If available/relevant, links to specific product(s) you are reporting:

Shopify [Acceptable Use Policy](#) Violation (e.g., Illegal activities)

With as much detail as possible, please explain the issue or violation you are reporting:

If applicable, which law(s) is the merchant violating in your jurisdiction?

What action are you requesting Shopify take?

Please note that Shopify only takes actions that are proportionate to the merchant's violation of our Acceptable Use Policy.

Product removal

Merchant compliance

Merchant termination

If you are specifically requesting termination, what facts require that action?

Is there a specific legal deadline applicable to this request requiring action to be taken within a certain timeframe?

Shopify reviews takedown requests expeditiously and endeavors to respond in 3 business days.
